CORPORATE & CIVIC SPONSORSHIP PROGRAM

A NATIONAL ACT OF
REMEMBRANCE

For generations, Americans have returned to Gettysburg to honor those whose sacrifice helped preserve our nation. During America's 250th anniversary, **A Field of Remembrance** continues that tradition, inviting a new generation to remember.

Corporations, foundations, civic organizations, veteran service organizations, and community leaders are invited to join Gettysburg Foundation in creating a national act of remembrance where Americans honor the soldiers who made the ultimate sacrifice during the Battle of Gettysburg.

From Flag Day through Veterans Day, Americans across the country sponsor commemorative American flags in their memory. Near the Eternal Light Peace Memorial, those individual tributes become a field of thousands of American flags, reflecting the battle's human cost and Gettysburg's enduring significance.

Leadership sponsors make this national commemoration possible while strengthening the Gettysburg Foundation's work to preserve Gettysburg, expand educational opportunities, and inspire future generations through its partnership with the National Park Service.

On public display November 12–23, 2026, the installation will invite visitors from across the nation to experience this powerful tribute during America's 250th anniversary.
